- Artistic
- Preaching
- Teaching
- Sport, fitness
- Caring , full of compassion, joy and love
- Like to try my best in anything my hands can find to do in every moment and space.

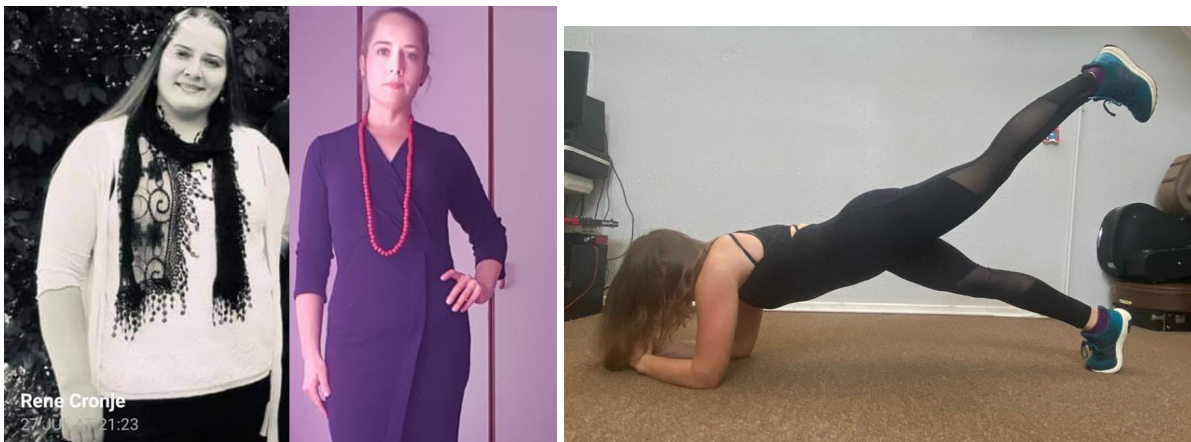

Software experience:

- AutoCAD (Autodesk)
- Microsoft Office / Excel
- Photoshop

Interests/Hobbies:

- Teaching and preaching the gospel of Jesus,
- CSV camps, Painting, teaching Art, Sketching and Pottery. Like to keep my hands busy with what they can find to do.
- Sport, fitness
- Caring for those who seeks help.
- I'm energetic and love the outdoors and exercising

Achievements:

In my journey of weight loss and life style change I started to love exercising. Learned much in the process. From a 110kg to 67kg in a time of 3 years and a half. And now today I'm 55kg and stronger than ever before all thanks to The Living God.

This painting is just an example of what I learned as well. Still painting.
